Ready Roll™...1,2,3 Go!

# Ready Roll™ the newest idea in catering

Now you can save time and money without compromising your food presentation with ReadyRoll™. ReadyRoll™ features a unique 2-in-1 design that includes a set of high performance cutlery enclosed in a premium Airlaid napkin. With ReadyRoll™, a complete setting is right at your fingertips, at a fraction of the cost of other solutions.

Each pre-counted box of 50 ReadyRolls comes in an attractive easy-to-store catering caddy. Designed for convenience, the catering caddy is neutral in color so it can be placed directly on any table-top for an instant ReadyRoll™ holder complimentary to any setting.

With ReadyRoll™, the set-up process is virtually eliminated giving you more time to worry about the little details that make your service stand out from the competition.

## Reduce Inventory

Not only is the ReadyRoll™ 2-in-1 solution more compact than separate items, each box is also pre-counted for easier inventory control.

## Quality

Now there is no need to compromise quality when wanting to save time and money. The ReadyRoll™ includes premium disposable cutlery and Airlaid napkin.

## Airlaid

The Airlaid napkin included with each ReadyRoll™ combines strength with high absorbancy via a woven material that looks, folds and feels like linen.

## Labor Savings

No set-up, no-cleaning, no worries! The ReadyRoll™ comes ready to use, virtually eliminating set-up time.

## Compact Storage

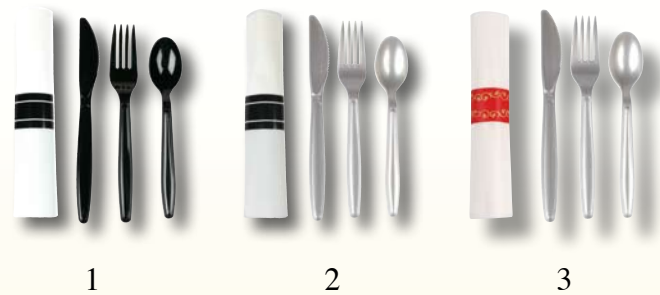

Each pre-counted box of 50 ReadyRolls comes in a sturdy cardboard catering caddy designed for stackable storage.

## Easy-to-Carry

Side handles make the ReadyRoll™ box more convenient than ever.
